

## DDRI-814

2023/03/22

## Outline

|                               |                   |
|-------------------------------|-------------------|
| NMB Parts No.                 | DDRI-814          |
| Metric or Inch                | Inch              |
| ISO/JIS                       | -                 |
| Material of Rings             | Stainless Steel   |
| Ring Type                     | [Radial] Standard |
| Inner Diameter<br>(d)<br>[mm] | 6.350             |
| Outer Diameter<br>(D)<br>[mm] | 12.700            |
| Width                         |                   |

## DDRI-814
