

Check rod method mounting attachment

CCACC010-*B (S)

2022/07/28

Features

- Equipped with lift-off protection fitting
- All stainless steel construction (Selectable for alloy steel construction)
- Expansion capability in all directions.
- Japanese patent No.4422099

Specification

Specification name	Specification contents
Applicable load cell	CC010-500K~50T / CC010-2T~50T-C3
Allowable horizontal moving length	±3 mm (No directionarity)
Material	SUS304 or equivalent / SS400 or equivalent (Electroless nickel plating)
Accessories	Guide plate, Hexagon socket head cap screws, Instruction manual, Dummy load cell, Lift-off protection fitting, Washer, Earth cable
