

# Steel ball method mounting attachment SCA-CMM1/CMP1 series

2023/03/22

## Features

- Space saving mounting attachment with slide stop mechanism.
- Excellent for severe side load conditions like belt conveyors.

## Specification

Specification name	Specification contents
Applicable load cell	CMM1/CMM1R/CMM1J-50K~2T, CMP1-250K~20T
Allowable horizontal moving length	±10 mm
Material	FCD material, SS material (with plating process)
Accessories	Dummy load cell, Guide plate, Instruction manual

## Item list

Item	Applicable load cell	Allowable horizontal	Allowable horizontal	Allowable lifting load	Allowable lifting load	Weight(Approx. )
